

SenpaiHR SEMINAR

ADVANCED STRATEGIES FOR ATTRACTION AND RETENTION

✓ What You Will Learn

- What causes people to look at companies in the first place?
- What brings them there and keeps them there?
- What can unions tell us about retention?
- What are the Six Ds of team member satisfaction?
- What is the "Whole-Human Engagement Model?"
- What is the "CA-PDCA" Team Member Engagement Triangle?

✓ Ideal For

- Individuals or an entire staff.
- Hiring managers, leaders, HR team members, and anyone who has leadership responsibility over creating and maintaining a long tenured workforce.

Meet Our Speaker

Perry Payne, CEO and Senior Mentor, SenpaiHR, LLC.

Perry has over 35 years in Human Resources and has worked with hundreds of companies both domestically and internationally to improve their retention programs. This has resulted in improved stabilization and retention of a robust workforce. His approach ensures that all processes are consistent throughout an employee's tenure, from the moment they are hired until they retire.

THIS SEMINAR IS IN PARTNERSHIP WITH:

PROFEROTEAM

Profero Team, LLC is an innovative clinical pharmacy consulting company that helps employers, brokers, and consultants, reduce medication costs while improving quality of care.
